A CELEBRATION OF FAMILY!

Sarah knows her unicycle-riding dad is special—even as Sarah cooks, takes care of her brother, and does homework on her own. When her dad finally graduates from high school, gets a second job, and eventually lands a promotion, Sarah realizes there's so much more that's special about him. *Unicycle Dad* shares the inherent struggles and quiet joys of a single-parent, impoverished household. Raised by a single, teenage father in poverty, author Sarah Hovorka grew up in a family structure lived by many but seldom represented in children's books.

"...Illustrator Alicia Schwab captures the story with warm, expressive art. ..."*Unicycle Dad*" is a very special and unreservedly recommended pick for family, elementary school, and community library picture book collections."—[Midwest Book Review](#)
